

FESTIVAL HIPS DON'T LIE

A more than ever coveted edition

For two years, COVID-19 was also the culprit behind the cancellation of the annual festival Hips Don't Lie. Fortunately, the statistics paint a bright future with many prospects and the organisation is honoured that the 2021 edition of Hips Don't Lie will go ahead!

The concilium and the inferiors also wanted to get the nightlife started again. By allowing this major festival to be held, they are showing us that it is time to get back to our lives. They still urge to be careful, and to stay home in case of any symptoms.

To make up for the past two years, famous DJs and performers are planned. From Olivia Rodrigo to Billie Eilish and David Guetta, it will be an unforgettable edition. As always, the festival will take place from 25 November to 31 November. The location also remains the same, namely CaesarsSquare in our beautiful capital Loki.

Ticket sales start on the 31st of October. They can admit up to 75 000 people. For this festival too, it is required to show your COVID-Safe Ticket on top of your identity card at the entrance. This will be strictly controlled.

This year's theme is: Hawaiian vibes. The organisation said: 'Find your most dazzling clothes and the most striking jewellery you can find, because this year nothing is too extravagant.'
